

Mineral of the Month Club Newsletter

October 2017

Featured Mineral:

This month the featured mineral is a green variety of grossular garnet. Grossular is also known as “grossularite,” “African jade,” “Transvaal jade,” “Mali garnet,” “garnet jade,” “vilouite,” “grossular garnet,” “ernite,” and “kanelstein.”

Your specimens were collected at Sierra de Cruces (Mountain of Crosses) in Coahuila, Mexico. Sierra de Cruces is located in the high plateau country of western Coahuila, 125 miles due south of Big Bend National Park in Texas.

You can also purchase the grossular garnet in larger sizes through the website.

Click on this link to purchase: www.celestialearthminerals.com

Note: Click on the Monthly Offerings tab from the drop down menu.

Monthly Offering:

We have some sweet calcite on sphalerite specimens that we picked up at the Tucson Gem & Mineral Show last year. They are from the Cumberland Mine in Carthage, Smith County, Tennessee, USA, which is located next to the famous Elmwood mine.

Click on the link to order: www.celestialearthminerals.com.
Note: Click on the Monthly Offerings tab from the drop menu.

Upcoming Featured Minerals: In November the featured mineral will be a composite specimen consisting of Shattuckite, Malachite and Diopside from the Kaokoveld Plateau, Namibia.

Social Media: Visit our Pinterest, Instagram, and Facebook accounts. In the Pinterest account there are folders that show previous and upcoming featured minerals as well as other mineral and nature folders. On Instagram and Facebook we post fun information on mineral collecting as well as posts on upcoming featured minerals. **Pinterest:** celestialearth, **Instagram:** celestialearth **Facebook:** Mineral Crew and Celestial Earth Minerals

We Are Here For You: We are here for you and all your collecting needs. If you have any questions please contact Christine or Lora at the office, by telephone at #1-800-941-5594 or via e-mail at info@celestialearthminerals.com.

Also visit our Etsy shop at www.etsy.com/shop/CelestialEarth7 for a wide selection of minerals to enhance your collection.
